

Sertoma and Hearing Charities of America are now accepting Hearing Aid Donations online!

SHARE THE JOY OF HEARING

Healthy hearing should be enjoyed by all citizens. And for those who require assistive devices, economics shouldn't be a barrier to hearing health. The Hearing Aid Donation Center, a project of Hearing Charities of America, begins the process of recycling hearing aids for those in need.

Through the generosity of organizations and institutions throughout the nation, your donated hearing aids will help others enjoy the sounds many of us take for granted.

For more information on how you can get involved and donate directly please go to:

Follow the instructions on the Donate Now page for easy to follow instructions including a mailing label. All donations are tax deductible and a letter of acknowledgement will be sent directly to you.
